EDUCATION

The University of Texas at Austin
Bachelor of Science in Electrical and Computer Engineering

TECHNICAL EXPERIENCE

Software Engineer, Business Laboratory - *Remote*   2/19 - 5/19
- Build extensive web applications utilizing React to solve challenging problems 9/19 - Present
brought forth by clients
- Led the development of several web applications and finished ahead of schedule with polished
products that had custom D3 visualizations and intuitive user interfaces
- Spearheaded the transition to TypeScript in order to maximize the effectiveness of our in-house
design system

Software Engineering Intern, Cvent - *Austin, TX*   6/19 - 8/19
- Programmed new client facing features on the front end utilizing JavaScript and React with
particular attention to flexibility as other teams relied on the same code base
- Solved issues and built the infrastructure for new features on the Java back end that
improved the communication abilities with end users
- Collaborated under an Agile workflow to maximize the efficiency of my team of engineers
and ensure that high quality code was pushed to production

Front End Development Intern, Chartly - *Remote*   1/18 - 12/18
- Constructed custom Vue components implemented in production software
- Developed data visualization software using JavaScript along with D3, HTML and CSS
- Compiled our components and visualizations into dashboards analyzing large data sets

Freelance Website Development - *Remote*   8/16 - 2/19
- Revamped multiple websites using HTML, CSS, and JavaScript
- Designed and built a custom themed WordPress site for a local business
- Coded the landing page for a mobile app using HTML, CSS

SKILLS

Experienced using:
JavaScript, React, TypeScript, NodeJS, HTML, CSS, D3, Git, Java, C, C++, Vue, Jira

LEADERSHIP AND WORK EXPERIENCE

Team Leader for Website and Motor Teams, Solar Vehicle Team   1/17 - 1/18
- Led a team to design and build the motor controlling systems for the solar powered vehicle
- Improved the website usability by redesigning the whole layout

Head Routesetter, Gregory Gymnasium   1/19 - 12/19
- Oversaw and engaged in the route setting process several times a week
- Certified Professional Climbing Instructor
